

## Resources currently available to support rollout of electronic sharing of End of Life Care records

This table sets out all known resources, tools and guidance that can support local rollout of End of Life Care (EoLC) electronic record sharing. They have been grouped together into the following categories: Overview & Introduction; Technical – standards & specifications; Implementation support; Local examples and finally, Evaluation. Some resources are only relevant to either Summary Care Record (SCR) or Electronic Palliative Care Co-ordinated Systems (EPaCCS) solutions, clearly marked in the table.

Category	Resource	Purpose	EPaCCS	SCR	Source & Year
Overview & Introductory	<a href="#">Crash course in EPaCCS: 8 years of successes and failures in patient data sharing to learn from</a>	Discusses the current EPaCCS landscape. Summarises key facts concerning the availability, uptake, outcomes and costs of EPaCCS. Outlines key challenges and key drivers	X		BMJ Supportive & Palliative Care 2016; 0:1–9. doi:10.1136/bmjspcare-2015-001059  Authors: Petrova M, Riley J, Abel J, et al.
	<a href="#">Back to basics – an introduction to electronic record sharing at the end of life</a>	A webinar setting out the key expectations around electronic record sharing at the end of life, what is meant by an SCR, an EPaCCS and what national technical developments are underway	X	X	NHS England & NHS Digital, 2017
	<a href="#">Summary Care Record webpage</a>	Webpage explaining the function of the SCR with links to more details information			X NHS Digital
Technical – standards and specifications	<a href="#">Information Standard SCCI 1580: Requirements specification</a>	The Information Standard setting out the data fields an EPaCCS solutions should hold, the rules and requirements etc	X		NHS Digital (current)

Category	Resource	Purpose	EPaCCS	SCR	Source & Year
	<a href="#">Information Standard SCCI 1580: Implementation guidance</a>	A guide on how to implement an EPaCCS solution from a technical perspective	X		NHS Digital (current)
	<a href="#">Information Standard SCCI 1580 webpage for further documents</a>	A webpage containing links to all published standards and specifications relating to EPaCCS including the actual standard, implementation guidance and supplementary guidance such as record keeping etc	X		NHS Digital (current)
<b>Implementation Support</b>	Expert Reference Group Contact <a href="mailto:england.endoflifecare@nhs.net">england.endoflifecare@nhs.net</a>	A group of people who are or have implemented EPaCCS has been established. The group can be contacted virtually via email, to help others troubleshoot and problem solve	X		NHS England, 2017
	<a href="#">Digital Maturity Index</a>	The Digital Maturity Self-Assessment is a survey which measures how well secondary care providers in England are making use of digital technology to achieve a health and care system that is paper-free at the point of care. A specific question is asked about compliance with the Information Standard that underpins EPaCCS, SCCI 1580	X		NHS England, 2016 (update expected in 2018)
	<a href="#">‘Why EPaCCS’ film – full version</a>	This film is aimed at clinicians, explaining what EPaCCS is and how it	X		NHS IQ, 2016

Category	Resource	Purpose	EPaCCS	SCR	Source & Year
	<a href="#">‘Why EPaCCS’ film – 10 minute version</a>	can improve end of life care			
	<a href="#">SCR Additional Information webpage</a>	<p>Webpage with numerous resources and information about the ‘Additional Information’ capabilities of SCR:</p> <p><a href="#">Benefits of using additional information in SCR</a></p> <p><a href="#">GP guidance on including additional information in the SCR</a></p> <p><a href="#">Patient consent to include additional information in the SCR</a></p> <p><a href="#">Patients who can't consent</a></p> <p><a href="#">Encouraging patients to include additional information in their SCR</a></p> <p><a href="#">Expert views on the benefits of additional information in Summary Care Records</a></p> <p><a href="#">Resources – patient information guides, staff support tools, EMIS &amp; TPP quick guides and system viewing guides</a></p>		X	NHS Digital (current)

Category	Resource	Purpose	EPaCCS	SCR	Source & Year
	<a href="#">Lessons Learned: implementing EPaCCS</a>	A brief 'lessons learned' guide developed after liaising with a number of localities, to help people who are starting out	X		NHSIQ, 2014
Local examples	<a href="#">Case study: Leeds</a>	A local case study outlining how Leeds have gone about implementing their EPaCCS solution	X		NHS England, 2018
	<a href="#">Case study: Harrogate &amp; District</a>	A local case study outlining how Harrogate & District have gone about implementing their EPaCCS solution	X		NHS England, 2018
	<a href="#">Case study: Worcestershire</a>	A local case study outlining how Worcestershire have gone about implementing their EPaCCS solution	X		NHS England, 2018
	<a href="#">Case study: Cheshire</a>	A local case study outlining how Cheshire have gone about implementing their EPaCCS solution	X		NHS England, 2018
	<a href="#">Webinar showcasing 2 examples – Harrogate &amp; District and the Hampshire Health Record</a>	A webinar hosted by NHS England, where two localities showcase how they have developed solutions for electronic record sharing for EoLC	X	X	NHS England, 2017
	<a href="#">Presentations from a national showcasing event</a>	A series of presentations from a national showcasing event, where localities shared implementation progress	X	X	NHS England, 2016
Evaluation	<a href="#">End of Life Locality Registers</a>	From 2011, this report presents the	X		Ipsos MORI, 2011

Category	Resource	Purpose	EPaCCS	SCR	Source & Year
	<a href="#">evaluation</a>	findings from an evaluation of 8 locality register pilot sites across England			
	<a href="#">Economic Evaluation of the Electronic Palliative Care Coordination System (EPaCCS) Early Implementer Sites</a>	An independent economic evaluation of EPaCCS early implementer sites	X		NHS Improving Quality, 2013
	<a href="#">Independent evaluation of Electronic Palliative Care ordination Systems (EPaCCS) in England</a>	An independent evaluation of EPaCCS, examining both the impact on experience of care for patients, carers and staff plus evidence relating to the cost effectiveness of EPaCCS	X		Whole Systems Partnership, 2016
	<a href="#">EPaCCS data report</a>	A report that sets out challenges and opportunities associated with collating information from different EPaCCS solutions with a summary of findings from data collation	X		Public Health England, 2016
